

## LOCAL INTELLIGENCE.

THURSDAY EVENING NOV. 1, 18 4.

sun rises to-morrow at 6:52; and sets 5:00. High water 10:55 a. m. and 11:15 p. m.

**WEATHER PROBABILITIES.**—For this section fair, followed Friday evening by increasing cloudiness and rain by Friday night; slowly rising temperature; winds shifting to south or southeast.

**POLLUTION OF A PUMP.**—It was stated yesterday that some mischievous or malicious individual had poured coal oil in the pump opposite Washington school building and rendered the water unfit for use. A warrant was issued this morning for the arrest of ex-Policeman Lawler, who is charged by one of his neighbors with the offense. At the trial Mr. Jefferson, who resides near the pump, testified that on Tuesday night about eleven o'clock, while the weather was rainy and the night was dark, he saw the accused approach the pump, and, after looking up to the windows of the houses near by, climb it, remove the cap and pour something into it. The next morning the water was found to be unfit for use from the fact that it was impregnated with coal oil. The witness had told the next morning what he had seen and had been informed by his neighbors that if he failed to report the matter to the authorities they would prefer charges against him for compounding the offense. The accused, in his statement, said he could prove an alibi; asserting that he was in bed at eleven o'clock Tuesday night. Officer Hayes testified that he met Lawler on Columbus street some time between ten and eleven o'clock on Tuesday night. The Mayor concluded to postpone the case for the purpose of obtaining additional evidence. The city code levies a fine of \$5 upon any one who removes the cap from a pump, and by an act of the Legislature in 1892 a fine of \$100 can be imposed upon any one pouring coal oil into a well and he or she sent to jail for 30 days.

**DISORDERLY CONDUCT.**—Two young men started up King street between one and two o'clock this morning in a frolicsome humor, and when between Fairfax and Royal streets one of them jumped upon a box car and crushed it. Officers Webster and Howson got on their track and followed them to the corner of Prince and Royal streets where the youngsters hid in a doorway. They were asked by the officers who asked them what they were doing. They replied that it was none of their business, and were forthwith taken in custody. This morning they were fined \$250 each.

Officers Jones and McCuen about the same time had their attention attracted by the disorderly conduct of some negroes on Columbus street and upon overhauling them two were put under arrest. One of the men got away from Mr. McCuen but Mr. Jones landed his prisoner in the station house. He was fined \$250 this morning.

**BAILED.**—Jeremiah Spear, who was yesterday held in the Police Court in the sum of \$500 for his appearance in the Corporation Court, was released in the afternoon, his bail having been reduced to \$200 and Mr. James R. Caton becoming his surety.

Mrs. Annie Atwell, who was implicated in the offense for which Mr. Spear had been held, was sent to jail this morning, she having been unable to furnish security. Mr. Spear, it will be remembered, was charged with having had in his possession a pair of pantaloons stolen from Mr. George Baier and Mrs. Atwell had pleaded guilty to petty larceny.

**POLICE COURT.**—Mayor Strauss presiding.—The following cases were disposed of this morning:

Thomas Cook, colored, arrested by Officer Jones for drunken and disorderly conduct, was fined \$2.50.

Two white men, arrested by Officers Howson and Webster for disorderly conduct, were fined \$2.50.

John Lawler, charged with pouring coal oil in the pump opposite Washington school building, had his case continued.

Hugh Strider, charged with unnecessarily beating a horse, was fined \$2.

**Night Report.**—Last night was clear and cool. Three prisoners and one lodger were at the station house.

**A TRAP GUN.**—The store of Mr. Herbert Rose, at the toll gate, beyond West End, has been burglarized several times recently and for the past few nights Mr. Rose has had a trap gun set for the thieves. Last night about 1 o'clock he was returning from a "possum hunt" when he heard the gun in the store go off and hastened to catch a wounded burglar. When he reached the store, however, the thief had disappeared without having been struck by the charge from the gun which had, however, torn off one of the panels of the door. The thief, fortunately for himself, in his attempt to force the door open, had stood to one side and thus escaped instant death.

**THE SLOT MACHINES.**—As will be seen by a notice elsewhere, Mayor Strauss has interdicted the use of slot machines in this city—that is the variety into which nickles are dropped for the purpose of winning money. He consulted with Corporation Attorney S. G. Brent last night, and the latter gave it as his opinion that the use of those devices was no more nor less than gambling. There are many of these slot machines in this city, and the owners will either have to discontinue their use or answer the charge of conducting gambling.

**THE OPERA HOUSE.**—The Savannah News thus speaks of Miss Gray's appearance in the leading parts of Lady Isabel and Madame Vine: "The interest of the audience was kept enchained until the close. In the fourth act in which is portrayed the death-bed scene of her little son, and in the fifth and last, in which she dies filled with remorse, she received practical recognition of her genius by a copious flow of tears throughout the auditorium."

**HALLOWE'EN.**—The annual vandalism was engaged in in some neighborhoods last night by some youngsters who have from time immemorial imagined that free license is granted on Halloween night to throw rocks at front doors and make themselves disagreeable generally. It is thought by some that extra policemen should be sworn in on every recurrence of the occasion.

"I would rather trust that medicine than any doctor I know of," says Mrs. Hattie Mason, of Chilton, Carter Co., Mo., in speaking of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by L. STABLER & Co.

**FIRE WARDENS.**—A meeting of the Fire Wardens was held yesterday evening. A letter was received from the Columbia Engine Company asking permission to put a new nickel jacket and dome on that engine, the expenses to be paid out of the prize money that engine won at the Grange Camp fair. The request was granted with the understanding that all the improvements placed on the engine should become the property of the city. The steamer W. A. Smoot is to be put in service while the improvements are being made to the Columbia engine. The wardens acknowledged the receipt of a communication from the fire department of Washington in reference to the loan of a truck while some necessary repairs are being made to the Relief truck and a committee will be sent to Washington to see if the truck offered can be used here. New regulations were adopted in reference to the issuing of vouchers for supplies, &c.

**THE RACES.**—The twelfth day of the Virginia Jockey Club's races yesterday brought only a fair-sized crowd. The track was very heavy. Owing to extensive scratching, the fourth race, as entered, was declared off, and the first race, which contained twelve two-year-olds was divided, and the second and third, as entered, moved up one peg.

To-day the weather being fine the races were better attended than for the past few days. The races were run as follows:

First race, 5 1/2 furlongs—Will Elliot won, Harrington second, Restraint third. Time 1:11 1/2.

Second race, 6 furlongs—Emma won, Romping Girl second, Evelyn Carter, filly, third. Time 1:21.

Third race, 1 mile—Lizzie won, Cock-a-doo second, Paris third. Time 1:45 1/2.

Fourth race, 6 1/2 furlongs—Flirt won, Star Actress second, Glesome third. Time 1:25 1/2.

**FUNERALS.**—The funeral of the late Mr. Amos B. Slaymaker took place this evening from his late residence on south Pitt street. The services were conducted by Rev. T. H. Rice, of the Second Presbyterian Church, of which church the deceased had long been a member, assisted by Rev. P. P. Phillips, of St. Paul's Church. The pallbearers were Messrs. Wm. A. Smoot, R. F. Knox, K. Kemper, J. J. Jamieson, George Wise and Thomas Leadbeater. Mr. Slaymaker was a member of Lee Camp, but the funeral being private the camp did not attend. This is the second death within a week in the ranks of the camp, Rev. Dr. Nelson having died last Thursday night.

The funeral of Bernard Hooe, the little son of Mr. J. D. Hooe, took place this morning from his father's residence on Washington street. The funeral and interment were private.

**SUIT DECIDED.**—The second trial of the suit of Mr. H. O. Claughton, a well-known attorney of Washington, against Mr. John W. Burke, of the banking firm of Burke & Herbert, of this city, was concluded in Washington yesterday afternoon. The suit was a claim of Mr. Claughton for services as attorney and counsel in a suit connected with the sale of the Washington and Ohio Railroad. The jury returned a verdict of \$1,011 and interest for the plaintiff. The suit was for upwards of \$3,200. It is understood that Mr. Claughton will now, if he hasn't already done so, bring a similar suit against the firm of Burke & Herbert. The suits are for counsel fees in the case of the famous Clarke county bonds for the old Loudoun and Hampshire Railroad.

**WEDDING.**—The marriage of Mr. Carter B. Smith, son of City Sergeant Wm. H. Smith, and Miss Fannie Eva Steiner, daughter of Mr. Jas. B. Steiner, took place this morning at Christ Church in the presence of a large number of the relatives and friends of the bride and groom. The ceremony was performed by Rev. Dr. Suter. The bride was attended by her cousin, Miss Nettie Steiner, and Mr. Charles Fisher acted as the groom's best man. The ushers were Messrs. Elmer Davis, Urban Lambert and H. E. Smith. After the ceremony Mr. and Mrs. Smith left for a trip to New York. The presents were numerous and many of them very handsome.

**ACCEPTED THE CALL.**—Rev. Wm. M. Clarke has accepted the call to the chair lately occupied by Rev. Dr. Kinloch Nelson, deceased, at the Theological Seminary, near Alexandria. The acceptance is only temporary and until the vacancy can be permanently filled. By his acceptance it does not in any way interfere with his rectorship at St. George's.—Fredericksburg Star.

**I. O. R.—State D. H. C. R., B. R. Foley** will, during the coming week, institute a new Tent of the Junior Order of Rechabites in this city on Friday night. H. S. J. R. Mahoney, and the high first officers will visit Potomac Tent, where the unwritten work will be exemplified by D. H. C. R. Foley.

**Knight of the Maccabees.**—The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Signed F. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed and trial being free at E. S. Leadbeater & Sons' Drug Store. Regular size 50c and \$1.

**"Trust Those Who Have Tried."**—Catarrh caused hoarseness and difficulty in speaking. I also to a great extent lost hearing. By the use of Ely's Cream Balm dropping of mucus has ceased, voice and hearing have greatly improved.—J. W. Davidson, Attorney at Law, Monmouth, Ill.

I used Ely's Cream Balm for catarrh and have received great benefit. I believe it a safe and certain remedy. Very pleasant to take.—Wm. Frazier, Rochester, N. Y. Price of Cream Balm is fifty cents.

To-morrow, Friday, Is Remnant Day.

When we again clear up the departments. All Remnants at greatly reduced prices. Often, however, their is no apparent reason why we should reduce the price of some. Take Dress Goods, for instance—useful lengths of the season's best fabrics are offered away under regular prices—although they are just as desirable as the goods in the piece. We reduce the prices solely to prevent remnants from accumulating and clogging the stock. Just so with many other stocks—the goods are not damaged, passe, worthless things, but being "short lengths," "odd and extreme sizes," "broken lines," "odds and ends," &c., they come under the head of "remnants," and everything of that character is given a price that should sell it quickly. Whenever goods are imperfect, soiled, or otherwise damaged we tell you. Black and Colored Dress Goods deserve special notice. Remnants have gathered thick and fast there this week, and they are the season's newest weaves. Hundreds of reasonable articles for personal and home use may be bought at a great saving to-morrow.
